### Your Hosts

As your hosts for this conference, we want to welcome you! We are simply a local couple who by not following God's design for marriage, has personally learned how important it is to keep investing in your marriage, and we're grateful for the restoration Christ has brought to our relationship. Because of this renewal, we are committed to challenge other couples in the tri-state area to make an intentional yearly investment in their marriages. We invite you to join us in discovering a Grace Filled Marriage through this 8 session video series.

Dr. Tim Kimmel loves when churches and families are healthy and strong. He loves it even more when they work as a team. Tim is the founder and Executive Director of Family Matters, whose goal is to see families transformed by God’s grace into instruments of reformation and restoration.

Tim develops resources for families and churches and conducts conferences across the country on the unique pressures that confront today's families. Not only is Tim a well-known speaker, he has authored many books including: *Grace Based Parenting* and, most recently, *Connecting Church and Home* and *Grace Filled Marriage*. Tim and Darcy count their role as parents and grandparents as one of their greatest joys. God has blessed them with four children, their spouses, and a growing flock of grandkids.
